Please Help Us To Help You Be -- "ON TIME"

SEPTA would like to remind passengers that station times listed in this timetable are **departure times** with two exceptions:

1. A "D" prefix indicates that trains may leave that station ahead of the scheduled departure time.
2. The time listed for each train's final destination is an **arrival** time. You can help ensure reliable service by arriving on the station platform with enough time to safely board your train before it is scheduled to leave the station. Your cooperation will greatly assist our efforts to provide dependable "on time" service on the Regional Rail system.

Note - Departure times are determined exactly when the minute changes, i.e. 7:00 a.m./p.m. and 0 seconds, not 7:00 a.m./p.m. and 59 seconds.
